Washington, D. C.

└

STAT

When the summaries of the proposed Government-wide service benefits and indemnity benefits plans were first made available to you, I informed you that if changes were made in these plans you would be given an opportunity to review these changes and to revise your own plans, if you so desired.

Final negotiations are now completed on both Government-wide plans. Attached is a press release which summarizes the benefits offered by these plans. This release is the official notification to you of the final benefit structure of the Government-wide plans. The bi-weekly net to carrier for each of the plans is as follows:

	<u>Service Benefit Plan</u> (Blue Cross-Blue Shield)		<u>Indemnity Plan</u> (Aetna Life Insurance Co.)	
	Low Option	High Option	Low Option	High Option
Individual	\$2.50	\$3.28	\$2.50	\$3.00
Family	\$6.31	\$8.60	\$6.00	\$7.75

If you wish to make changes in your plan, these revisions must be received no later than 12:00 Noon, Tuesday, April 5, 1960. These revisions may be sent by wire or made by telephone, so long as confirming letters are received. Please send or telephone all changes in your plans to Mr. Irving Kator, DUDLEY 6-3333.

Sincerely yours,

*Andrew E. Ruddock*Andrew E. Ruddock  
Director
